RE: **Development Variance Permit (DVP) Application**
126 Deerfoot Road, Electoral Area "A"

My comments / concerns are:

- I do support the proposed variances at **126 Deerfoot Road**.
- I do not support the proposed variances at **126 Deerfoot Road**.

Please provide any comments you wish the Board to consider:

Being the neighboring property, we are the most affected by this variance request. After discussion with the proponent of the variance, and given the setback of our home from the property line at that location, granting this variance will not impact the enjoyment of our property and therefore we support it. During the surveying of the property, it was discovered that the driveway at 126 Deerfoot Road has crossed the property line by a small amount. Agreement to this variance is not an agreement to grant any other variance including the fact that the driveway is encroaching on our property.

Feedback Forms must be submitted to the RDOS office by **August 19, 2024**.

All representations, including names, will be made public if and when they are included in the Board Agenda.
