Subject: Development Variance Permits - 845 Kinney Road - Application Nos E2024.033-DVP & E2024.035-DVP

Attn: Christopher Garrish

Hello, this brief note is to express my support of the two Development Variance Permit Applications for 845 Kinney Road, Naramata.

I have spoken with the applicants at length about their plan to expand their family home and to build a workshop above their garage.

I am in support of allowing both the rear-yard setback variance as well as the increase of the height of the accessory building.

The applicants are a wonderful family who are involved in the community.

Please do not hesitate to get in touch if need be.

Thank you,

Carole Morton
