With respect to the above noted file,

Land Rights Comments

- There are no immediate concerns or requests for additional land rights, however there may be additional land rights requested stemming from changes to the existing FortisBC Electric ("FBC(E)") services, if required.

Operational & Design Comments

- There are FortisBC Electric ("FBC(E)") primary distribution facilities along Coalmont Road and Ford Street.
- All costs and land right requirements associated with changes to the existing servicing are the responsibility of the applicant.
- The applicant and/or property owner are responsible for maintaining safe limits of approach around all existing electrical facilities within and outside the property boundaries.
- For any changes to the existing service, the applicant must contact an FBC(E) designer as noted below for more details regarding design, servicing solutions, and land right requirements.

In order to initiate the design process, the customer must call 1-866-4FORTIS (1-866-436-7847). Please have the following information available in order for FBC(E) to set up the file when you call.

- Electrician's Name and Phone number
- FortisBC Total Connected Load Form
- Other technical information relative to electrical servicing

For more information, please refer to FBC(E)'s overhead and underground design requirements:
